Fort Belvoir to Conduct Demolitions Operations at Engineering Proving Ground

Belvoir officials will conduct demolition operations to destroy assorted munitions debris at the post's Engineer Proving Ground on Tuesday, June 30, between the hours of 9:00 a.m. and 4:00 p.m.

Safety and explosive ordnance disposal experts will conduct the controlled detonations at the former training site. Though small, it may be possible to hear and feel the blasts in neighborhoods near the site.
